BARRY COUNTY  
COUNTY TREASURER  
700 MAIN SUITE 5  
CASSVILLE, MO 65625

January 2024

Dear BARRY COUNTY,

Section 32.310.1, RSMo. states the Department of Revenue shall create and maintain a mapping feature on its official public website that displays sales and use tax information of political subdivisions, including the current tax rate for each sales and use tax imposed and collected.

This map showcases borders and jurisdictions each of the following political subdivisions:

- Ambulance Districts
- Community improvement districts
- Fire protection districts
- Levee districts
- Library districts
- Neighborhood improvement districts
- Port authority districts
- Tax increment financing districts
- Transportation development districts
- School districts
- And any other political subdivision that imposes a sales or use tax within its borders and jurisdictions.

It is important that the boundaries on the map are correct to ensure the proper amount of sales and/or use tax is collected and distributed to your political subdivision. Please visit the map at <https://missouri.ttr.services> to review the mapping boundaries for your jurisdiction. To view your boundaries, enter an address within your jurisdiction. Then, click on the boundary in the upper right-hand corner of the map to begin your review.

Please report any discrepancies to the Local Tax Unit at [localgov@dor.mo.gov](mailto:localgov@dor.mo.gov) or 573-751-4876.

Sincerely,

TAXATION DIVISION
